Sirs,

Just what we need!! Another casino????????? How many of you have read in the news recently about the Town Treasurer of Winchester, or the woman fired from UConn Health Center, who have embezzled hundreds of thousands to support a gambling addiction; or just about locals accused of supporting a gambling addiction by stealing from elderly relatives or people who have invested in their pyramid schemes with 401-K money? About the influx of casino workers in Montville, living in newly created flop houses, 3 to-a-bed, to work many hours at the Casinos? How about the addicted parents leaving children in their cars in the casino parking garages while they spend their last dimes on their addictions? AND YOU WOULD SUPPORT ANOTHER ATTEMPT TO HELP SUPPLY THOSE ADDICTS WITH A FIX?? We do not need, nor can we support another casino in Connecticut. PERIOD! END OF STORY!!

END THIS FOOLISHNESS! Jean Merz, 144 Phoenix St, Vernon, CT
